

AQUACIL™

PERINEAL CLEANER

Aquacil™ Perineal Cleaner (PC) and antiseptic is formulated to be mild but effective at cleaning the skin and tough on germs. Aquacil PC is so effective that it meets and exceeds the FDA's antibacterial in vitro efficacy requirement for both over the counter topical and healthcare antiseptic drug products.

Multifunctional ingredients complement the activity of the quat active and provide state of the art skin care to help reduce or prevent dryness and irritation.

Features and Benefits

- Formulated with 0.1% benzalkonium chloride active ingredient
- Cleans and freshens the perineal area without harsh surfactants
- Rapid and broad spectrum antimicrobial activity
- Mild enough to be used repeatedly
- Free of fragrance, dyes, parabens, triclosan, and formaldehyde
- Available as a foam or spray for the user's convenience
- Manufactured in the USA in an FDA registered facility

IN VITRO 15 SECOND TIME KILL RESULTS (ASTM Method E2315-03)
